NOTE: Standard colors including White are available in less than pallet quantities. All other colors are a "special order" and require a minimum order of 1 pallet (210 gallons). Availability on "standard" or "special order" colors require a minimum of a 7-10 day lead time. Above colors are ONLY available for KARNAK 501, 502, 505HS, 529 and 535 coatings. NOTE: When viewed on computer screens or indoor lighting colors may appear different. For best accuracy when selecting colors for projects please use our printed color chart and view in natural sunlight outdoors. Install a sample prior to placing job order. Colors above are NOT available for 670HS or 670LS silicone coatings.
