About Congress Associates

Congress Associates, established in July 2017, is an independent manufacturer sales agency operating in the New England states. Specializing in cutting-edge roofing, rigid foam insulation, and waterproofing products, we are dedicated to offering high-performance solutions that deliver sustainable, long-term results while prioritizing environmental responsibility. Our client base includes contractors, distributors, building owners, architects, and consultants. We strive to maintain consistency in our systems and solutions to simplify our clients' lives, ensuring seamless product delivery and providing educational support through easy installation demonstrations to save both time and money.

At Congress Associates, our sales team is dedicated to supporting our customers at every step. We are committed to providing exceptional service and expertise to ensure the success of your projects.
